4.1 Proprietary Rights. PTC and its licensors are the sole owners of the Licensed Products and of any copies of the Licensed Products, and of all copyright, trade secret, patent, trademark and other intellectual or industrial property rights in and to the Licensed Products. All copies of the Licensed Products, in whatever form provided by PTC or made by Customer, shall remain the property of PTC, and such copies shall be deemed to be on loan to Customer during the Licence Term. Customer acknowledges that the Licence granted to Customer does not provide Customer with title to or ownership of the Licensed Products or any copies thereof, but only a right of limited use under this Agreement. Customer shall have no rights to the source code for the Licensed Products and Customer agrees that only PTC shall have the right to maintain, enhance, or otherwise modify the Licensed Products. Except for the rights expressly granted herein, no other rights are granted to Customer with respect to the Licensed Products.

4.2 Confidential Information. Customer agrees that the non-public ideas, and the expressions of those ideas, contained in the Licensed Products and/or provided to Customer in the course of PTC's delivery of Services comprise trade secrets and confidential and proprietary information and know-how of PTC and its licensors (the "Confidential Information"), and that PTC discloses such Confidential Information to Customer in confidence. Customer shall maintain the confidentiality of this Confidential Information and shall not disclose or otherwise make available this Confidential Information to any third party nor use such Confidential Information except as necessary to exercise Customer's Licence under Section 3. Customer shall be responsible for taking all appropriate and reasonable steps with regard to Customer's employees, consultants, or agents and with regard to Permitted Users to satisfy Customer's obligations under this agreement. Customer agrees to notify PTC immediately of the unauthorised access to or disclosure or use of the Confidential Information or Licensed Products and to take such further steps as may reasonably be requested by PTC to prevent or remedy any violation of this Section.

5. Warranty; Disclaimer of Warranties

5.1 Warranty. PTC warrants to Customer that it is authorised to grant the Licence(s) and that, subject to Section 5.2, for a period of ninety (90) days following PTC's initial shipment to Customer or Customer's designee of the computer software described in a Product Schedule (the "Warranty Period"), such computer software will be free from Errors.

5.2 Warranty Exceptions. PTC shall have no warranty obligations hereunder with respect to (i) New Releases (for which the terms of Maintenance Services shall apply), (ii) computer software provided to Customer in the course of PTC's delivery of Training Services; (iii) any Error attributable to the use of the Licensed Product in an application or environment for which it was not designed or contemplated, or attributable to modifications of the Licensed Product by anyone other than PTC or its employees or agents; and/or (iv) Bundled Third Party Products.

5.3 Sole Remedy. PTC's and its licensors' entire liability and Customer's exclusive remedy for any breach by PTC of the warranty given in Section 5.1 above shall be, at PTC's sole discretion, either to (a) replace the Licensed Product(s) or (b) use diligent efforts to repair the Error. PTC's obligations set forth in the preceding sentence shall apply only if notice of the Error is received by PTC within the Warranty Period and Customer supplies such additional information regarding the Error as PTC may reasonably request. If PTC does not replace the applicable Licensed Product(s) and/or does not repair the Error (either by providing a bug fix, a workaround or otherwise) within a reasonable time after notice of the Error and associated information from Customer is received by PTC, PTC will provide a refund of the licence fees paid by Customer for the applicable Licensed Product(s) upon return of such Licensed Product(s) and any copies made thereof.

5.4 No Additional Warranties. No employee, partner, distributor or agent of PTC or any of its resellers or sales agents is authorised to give representations, warranties or covenants greater or different than those contained in this Agreement, except as specifically set forth in a written amendment to this Agreement signed on behalf of Customer by an authorised officer and on behalf of PTC by its legal counsel or Corporate Controller.

5.5 Disclaimer of Warranties. Except as expressly stated in this Section 5, PTC disclaims (and customer waives) all warranties, whether express or implied, written or oral, including any warranty of merchantability, satisfactory quality, fitness for a particular purpose, non-infringement, and/or any warranty that Customer will achieve any particular return on investment. The Licensed Products are intended to be used by trained professionals and are not a substitute for the exercise by Customer of professional judgment, testing, safety and utility in their use. Customer is solely responsible for any results used which were obtained by using the Licensed Products, including the adequacy of independent testing of reliability and accuracy of any item designed using Licensed Products. PTC does not warrant that the operation or other use of the Licensed Products will be uninterrupted or error free or will not cause damage or disruption to Customer's data, computers or networks. PTC disclaims all warranties of any kind, express or implied, with respect to Sun Software, Oracle Software and any Bundled Third Party Products (described on the Schedule of Third Party Terms), and if any such products are supplied by PTC, they are provided without any warranties except as expressly stated in Section 2.4 hereof.

6. Indemnification; Infringement

6.1 PTC's Obligation to Indemnify Customer. PTC, at its own expense, will defend any action brought against Customer based on a claim that any Licensed Product infringes a United States &/or European Union member states' patent, copyright or trademark and, at its option, will settle any such action or will pay any final judgment awarded against Customer, provided that: (a) PTC shall be notified promptly in writing by Customer of any notice of any such claim; (b) PTC shall have the sole control of the defense of any action on such claim and all negotiations for its settlement or compromise and shall bear the costs of the same (save where one or more of the exclusions in Section 6.3 applies); and (c) Customer shall cooperate fully at PTC's expense with PTC in the defense, settlement or compromise of such claim.

6.2 PTC's Right to Act to Prevent a Claim. If a claim described in Section 6.1 hereof occurs or, in PTC's opinion, may occur, Customer shall permit PTC, at PTC's option and expense to: (a) procure for Customer the right to continue using the Licensed Product; (b) modify the Licensed Product so that it becomes non-infringing without materially impairing its functionality; or (c) terminate the applicable Licences, accept return of the Licensed Products and grant Customer a credit thereon equal to the lesser of the licence fees paid by Customer for such Licensed Product or PTC's list price for such Licensed Product at the time of the order therefor, in each case depreciated on a straight-line, five year basis.

6.3 Exclusions from PTC's Obligation to Indemnify Customer. PTC shall have no liability to Customer under Section 6.1 hereof or otherwise to the extent that any infringement or claim thereof is based upon: (a) use of the Licensed Product in combination with equipment or software not supplied hereunder where the Licensed Product itself would not be infringing; (b) compliance with designs, plans, instructions, or specifications provided by Customer; (c) use of the Licensed Product in an application or environment for which it was not designed or not contemplated under this Agreement; (d) use of other than a current release of the Licensed Product(s) provided to Customer; (e) modification of the Licensed Product by anyone other than PTC or its employees or agents; or (f) any claims of infringement of any patent, copyright, trade secret, trademark or other proprietary right in which Customer has an interest.

6.4 Customer's Obligation to Indemnify PTC. Customer, at Customer's own expense, will indemnify and hold PTC harmless from and against any damages, liabilities, costs and expenses (including PTC's attorneys' reasonable fees) arising out of any third party claim resulting from any of the circumstances listed in any of the clauses of Section 6.3 above.

7. Limitation of Liability

7.1 Maximum liability. The warranty and indemnification provisions of Sections 5 and 6 hereof state the entire liability of PTC, its subsidiaries and affiliates, and each of their respective directors, officers, employees or agents, with respect to the Licensed Products and Services, including (without limitation) any liability for breach of warranty, or for infringement or alleged infringement of patent, copyrights, trademarks, trade secrets and other intellectual or proprietary rights by the Licensed Products, or their use. Except as set forth in Section 6.1 above, PTC's maximum liability arising out of, or relating to, the creation, licence, functioning, use, supply or non-supply of the Licensed Products or the provision of Services or otherwise relating to this Agreement, whether based upon warranty, contract, tort, or otherwise, shall not exceed the fees paid by Customer for the PTC products or services that gave rise to the claim

7.2 Third parties. In no event shall PTC, its affiliates (including its subsidiary companies) or any of their respective directors, officers, employees or agents be liable for: - (a) any loss of profit, loss of use damages, loss of goodwill, loss of business opportunity, loss of sales, loss of reputation or loss of anticipated savings; (b) any loss or inaccuracy of data or business information; (c) special, incidental, indirect or consequential loss or damage, howsoever caused and (d) any loss caused by the interruption, termination or failed operation of the Internet, third party telecommunications services or third party security features or systems, in each case if PTC has been advised of the possibility of such damages.

7.3 Limitation on claim. Customer agrees not to bring any suit or action against PTC, and/or its subsidiaries and affiliates, and/or any of their respective directors, officers, employees or agents for any reason whatsoever more than one year after the cause of action arises. The limitations and exclusions set forth in this Section 7 shall not apply to any claim in respect of death or personal injury.

8. Expiration or Termination of Licences or Maintenance Services

8.1 Events Causing Termination. This Agreement and all Licences and the provision of Maintenance Services on Licensed Products will terminate:

It is intended that this Agreement shall not violate any applicable law and the unenforceability or invalidity of any provision (other than the provisions obligating Customer to make payments to PTC) shall not affect the force and validity of the remaining provisions and such provisions determined to be invalid shall be deemed severed from this Agreement and, to the extent possible, be replaced with terms which as closely as possible approximate the interest and economic intent of such invalid provisions.

This Agreement (including any schedules, attachments, exhibits, or appendices hereto) together with the Product Schedule is the complete and exclusive statement of the contract between PTC and Customer with respect to the subject matter hereof.
